Welcome back to all our families to the Summer Term, which will be full of lovely learning opportunities. We have lots of exciting, upcoming events this term, including Sports Day, the annual Summer Fair, two residential trips and much more!

## Year 4 Roman Day:

Before the Easter holidays, Year 4 celebrated the end of their Roman topic, with a fantastic Roman Day. They performed a fun and informative assembly to their parents and carers, and were treated to a Roman feast for lunch (including snails!).

## Renaissance Reader:

Key Stage 2 children have completed quizzes on an amazing 102,256,664 words since the beginning of the school year, with 32 children already becoming word-millionaires. This is a fantastic accomplishment!

## House Captains:

Huge congratulations to our newly appointed House Captains, who do so much to represent our different houses. The new captains representing Saturn are E and A; Mars are C and F; Jupiter are C and L; and Neptune are A and Q.

## Sports Captains:

Congratulations to our newly appointed Sports Captains, too: A, T, J, L, M and M.

## Helping Hands Award:

Well done to N in 5M for being awarded the

Helping Hands award, before the Easter holidays, for being a hardworking and determined student. He is a great role model, always on task and willing to help everyone around him.

School attendance and punctuality are extremely important to a child's progress and how settled they feel at school. We work very closely with our **Educational Welfare Officer**, who we will be welcoming into school over the next couple of weeks to help support us with managing late-comers to school.

Well done to M in 4D who is now officially a **Karate World Champion**. A few weeks ago, M attended the World Karate Championship WKA and the Malta Open in Malta where M represented the country as an official member of the England squad. She won three trophies and two medals.

We're delighted to let you know that East Sheen Primary School has become a member of **The National College** – a multi-award-winning online training provider for staff and parents. As part of our membership, The National College provides dedicated training and resources for parents and carers – particularly, around online safety and **keeping children safe online**.
