06 Sept 2018

### Helping Hands Cup

Rachel Rixon was awarded the helping hands cup this week. Rachel is helpful in many ways but the award was in recognition of her tireless work in the school libraries. She has established the libraries in their new locations and catalogued the infant library on the electronic library system. The libraries look great—thank you Rachel!

### New Caterers

Accent caterers were awarded the contract to supply our school lunches. Already, we are so impressed with their commitment to the school. Yesterday the children were so enthusiastic about the food which not only tasted delicious but was presented beautifully, encouraging the children to taste different foods. Accent also provided lunch for the staff on inset day who were impressed by the quality of the food. If your child currently brings a packed lunch and would like to return to school lunches please contact Marie Hambridge in the school office. Accent will be offering taster sessions at the year group curriculum evenings. There will also be an 'Italian Day' shortly for children to sample the school lunches—booking details to follow.

### Diary Dates: next week

Monday 7PM Yr 3 Curriculum evening

Tuesday 7PM Yr 5 Curriculum evening

Wednesday Year 3 Roald Dahl day

Thursday 7PM Yr 2 Curriculum evening

Friday 2nd hand uniform sale

### Welcome Back

It has been wonderful welcoming our children back to school and seeing so many happy, positive children walking around the school.

We welcome many new families to our school and hope that they enjoy being part of the warm and vibrant East Sheen community.

We strive for continual improvement of our school and over the summer holidays a number of changes have taken place which you will read about in this newsletter.

Joining our community are two new teachers:

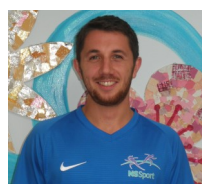

Georgie Daborn 4D and Ronni Thorp 2T, we are delighted to welcome them to our school.

### New Toilets

The refurbishment of the toilets took place over the summer holidays. We are delighted with the results and so were the children. The toilets are now bright, fresh and spacious with cubicles offering complete privacy. Thanks to the money raised by the PTA we have been able to achieve this transformation.

### NSSport Extended Day Provision

NSsport have taken over our extended day provision offering breakfast club and after-school care until 6pm. Bookings for after-school care can be made online and shortly breakfast club will also be available to book online. Sam Tye (pictured above) is leading these clubs—he is also a talented chef. Yesterday the children enjoyed lamb and halloumi kebabs for their 'light bite' - the children devoured them!
