Roald Dahl Day

Year 3 have started the year with style celebrating the birthday of the children's author Roald Dahl. The children looked amazing in their fabulous costumes. We look forward to seeing some excellent English work inspired by the writing of this talented author. Headteacher's awards await Year 3!

World Car Free Day

World Car Free Day, which is celebrated on September 22, encourages motorists to give up their cars for a day. Our school travel plan promotes healthy and sustainable travel and mitigating the effects of pollution on our school continues as a school priority this year. On Thursday next week we would like everyone to walk, scoot, or cycle to school. For those children who live further away from school we would ask that they 'park and stride' to school so that the last part of the journey is completed on foot. We will be undertaking a survey on the day and reporting the results in our travel plan.
