Helping Hands Cup

E has been chosen by Mr Bailey to receive the Helping Hands Cup. She has impressed her teacher with how well she has settled into Year 1 and always puts 100% effort into her work-fantastic!

Sports Star

Our sports star this week is H. He has been working hard this term in PE and especially in gymnastics. Well done H.

Maths Mastery Curriculum Evening Tuesday 16th October at 7pm

Next week, we are holding a maths evening for parents presented by Caroline Clissold, a maths consultant who has worked with our school for many years. Caroline will be explaining what is meant by maths mastery and why schools are adopting this approach. She will also explain the methods/approaches that your child will be using in school which will also help you to support your child at home.

Year 6 Visit to the British Museum

Year 6 went back in time by visiting the Egyptian rooms at The British Museum this week. They saw mummies, plenty of gold and were blown away by the ancient artefacts. They behaved impeccably and received lots of compliments from members of the public at the museum, on the tube and on the bus, curious to know which wonderful school they attended. Well done Year 6, we are very proud of you.

Word Millionaire

Well done to H, she is our first 'Word Millionaire' this year. A great achievement so early into the term. Who will be next? Keep reading ...

Old Mortlake Burial Ground

Currently the cemetery is open for extended hours to allow increased access to South Worple Way. Using alternative routes such as this is an ideal way to avoid walking along the Upper Richmond Road where pollution levels can be higher. We are advised that without support the opening hours may be reduced, limiting the use of this route for journeys to and from school. If you would like to see the extended hours continue, please email Yvonne Kelleher, Park Development Officer, Yvonne.kelleher@richmond.gov.uk
