

East Sheen Primary School

Newsletter 26th November 2021

It was a busy week last week, and we are grateful for how quickly children, staff and parents have adapted to new measures. We are encouraged that case-numbers seem not to be rising so quickly and will continue to update parents as appropriate.

Red routes

We have received a number of concerns from local residents about cars stopping on red lines. Please remember this is illegal and unsafe and that TfL will be monitoring. Thank you for your cooperation.

Thank you – Gift Tree

We were thrilled and overwhelmed by the generosity shown in the charity 'Gift Tree' project. We know the donations will bring much joy this Christmas!

Environment

Year 6 did some fantastic work in maths this week, interpreting air pollution graphs across London in the first week of November. They thought about the fluctuations caused by commuting and the peak during Diwali and Bonfire Night.

The children used data from 'Breath London'. The school is part of the project that promotes cleaner air across our city. You can find out more [here](#).

Safeguarding & e-safety

Attendance at school is an important factor in safeguarding children's welfare and education. We have updated our [attendance policy](#), with advice from the Educational Welfare Service (EWS), and unauthorised absences of over five days will be referred to EWS, who may issue fixed penalty notices.

Sports Stars Awards

We are delighted to share that E in Year 3 was the Sports Star this week and W in Year 1 won the award the week before. Both boys have been working well in PE and NSSport sessions, showing commitment, sportsmanship and an understanding of the importance of keeping fit and healthy.

Attendance and absence

School target: 97%

Last week's total: 95.66%

Classes above target: 7
