

East Sheen Primary School

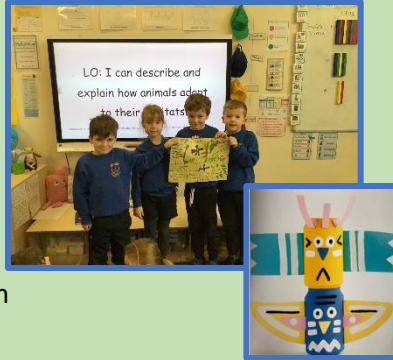

Newsletter 21st January 2022

Environment

We continue to have lots of environmental learning going on with Year 5 presenting on sustainable fashion and Year 2 using Thinking Maps to learn about threatened habitats.

The Green Team has also created a green art project for home [here](#).

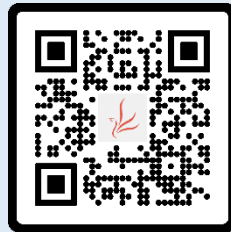

Helping Hands and Sports Star Awards

T in Reception earnt the Helping Hands Award this week for the helpful, kind and considerate way she works with others. N in Year 1 won the sports star award for her enthusiasm for PE lessons.

Safeguarding and Online Safety

Please follow the QR code for the most up-to-date parent guides for online safety, as well as information from last week's parent talk.

For the latest safeguarding updates, including information on preventing county lines crime, FGM, radicalisation & extremism, and trafficking, [click here](#).

Stick insects – homes wanted!

L-M has successfully nurtured the stick insects in the Phoenix Room and we have some babies that are ready to leave the nest. If you are interested in adopting these fascinating creatures, please let the office know.

Fascinating fact: Stick insects can regenerate limbs.

People who help us – Postal Workers

Reception have been learning all about different people that help us in society. This week they studied the journey of a letter before writing and posting their own in the postbox!

Attendance and absence

School target: 97%

Last week's total: 94.47%

Classes above target: 6

RF	87.31	1A	85.97	2D	89.20	3C	96.80	4B	99.58	5FH	98.62	6D	97.86

Lovely learning around the school

Year 2 used historical artefacts to develop their enquiry skills when learning about Florence Nightingale and her work in the hospital at Scutari.

Year 5 used potatoes to investigate asexual reproduction in plants.

Kindles

A few children in Years 5 and 6 have asked to bring in kindles. Children may bring in kindle e-readers, but not tablets, and the school cannot take responsibility for them if they get lost or damaged.

Lego

Children aged 5-9 can get a free subscription to LEGO Life Magazine here:
<https://www.lego.com/en-gb/life/magazine>
