Cleaning in the community

Over the weekend, children in Year 6 explored East Sheen, Barnes and Roehampton with their rubbish bags and litter-pickers and did an amazing job removing litter from the local area. It's a great example of how we can all look after our local environment to keep it clean for all to enjoy.

Award Winners

J in Y5 wins the Sports Star Award for his commitment to team sports and determination to represent the school in sport.

F wins the Helping Hands Award. He takes great pride in completing helpful jobs and has been working incredibly hard to make positive decisions when in or out of the classroom.

Earth Hour!

On Saturday, at 8:30pm, many people will be marking '[Earth Hour](#)' by turning lights off and having an energy-reduced hour. The green team has been promoting it in school. To find out more, click the link above.

Butser Ancient Farm – Y3

Year 3 had a fantastic time learning more about The Stone Age during their exciting trip to Butser Ancient Farm. The sun shone and the children explored what life would have been like all those years ago.

Hounslow Urban Farm – Reception

It was a gloriously sunny day for Reception's visit to the Hounslow Urban Farm. We fed the sheep and goats, stroked the cows and the alpacas and some children were even brave enough to have a cuddle with the snakes and lizards!
