Fundraising efforts

Well done to our fabulous Year 6 children who as well as getting ready to take their SATs next week have been fundraising for their end of year celebrations. You may have seen their jewelry sale last week, which raised £289, but they have also raised money through sponsored reading, litter picks and organising ticketing events. Well done, and we all wish Year 6 a fantastic SATs week next week.

Award Winners

Congratulations to E in Year 1 for winning the Helping Hands Award. His exemplary attitude and commitment to learning is helpful to all. Well done to G who wins the Sports Award for the respect she shows when playing competitive sport.

Sport

Year 3 girls represented the school in a Richmond football tournament. They were incredible, scoring 15 goals in 4 games.

There was more success for the Year 6 netball team this week who made it all the way to the final in the Richmond league. They played absolutely brilliantly with so much talent and determination, eventually ending up only being beaten by a narrow margin of 12-9 in the final against St Mary's. Well done!

Sports Day

Sports Day will take place on Thursday 26th May at Barn Elms sports ground. We are pleased to be able to welcome parents/carers to spectate. The event will begin at 9am with registration at the sports ground and will finish at approximately 1pm followed by a picnic lunch.

Attendance and absence - please continue to help us reach 97%.

School target: 97%

Last week's total: 95.38%

Classes above target: 9

Jubilee Competition

Please see the separate ParentMail from the Pupil Leadership Team (PLT) regarding their jubilee poster competition.

Environment in the classroom

The Forest

(Spicy)

Bang trees cut down like a volcano erupted
orangutans are dying other animals are
playing crack splash slap whoosh
monkeys swinging on banana trees
a frog bouncing around to its lily
Pad Slam and star one orangutan
dead happily people are killing
animals and trees. And did they
know tree gives us air Please
stop now before you continue destroying
our world our world is a
special place

The Forest

(Spicy)

Boom Boom crash
All the trees go smash and bash
people cutting down trees
no, no, no, no please
The forest is sadling
as fast as a cat
All the trees go crack crack crack.
We have to act
Come on people
Why is this happening
the trees are crackling
What are we doing to do?

As part of a poetry workshop, children in 5S were played audio clips of different sounds from the forests (natural and manmade) and encouraged to write their own poems. They had a short time to create them, but greatly impressed with their thoughtful consideration of poetry and forest conservation. Their knowledge of literary devices was outstanding!
