Swimming Gala

The swimming team swam brilliantly and were a pleasure to take to the gala. Results are not in for individuals, but a group of 4 swimmers from Year 6 won their relay in the heats and finals, winning a gold medal. All swimmers were great competitors. Well done!

Award Winners

Before half term, M won the Helping Hands Award for being an excellent role-model in Year 4, supporting her friends and teachers. L in Year 3 won the award this week. She always puts in maximum effort in class and looks out for others. A in Year 4 won the Sports Star Award for her continued displays of good sportsmanship.

Car Park

A polite reminder that the carpark is not to be used by parents unless authorised in advance by the school.

Safeguarding

We are extremely grateful to all our parent volunteers who read with children and help in school. To keep everyone safe in an emergency, it is really important that all visitors sign in at the main office on the electronic system and collect a visitor lanyard.

Many thanks!

Bee Day

On 20th May it was Bee Day. In Reception, children have been completing some wonderful writing to complement their bug topic and they wrote about bee facts and how we can save the bees.

Tom Morgan, B's dad from 5S, is taking part in the Duchenne Dash on Friday. It's a 300km bike ride from London to Paris in 24hrs. He is doing this to help raise funds for research for Duchenne, which L was diagnosed with 6 years ago.

If you would like to donate, his justgiving page is below:

Choir

The choir were sounding fabulous during their final rehearsal before singing on stage at The Rose Theatre next week. They rehearsed at Sheen Mount school before half term and raised the roof!

House Captains

Congratulations to our new house captains for this half term.

Bird Kebabs

Check out [this fun idea](#) from the Green Team about making kebab bird-feeders.
