Henley Fort – Year 4

Year 4 had an amazing time on their residential trip to Henley Fort. As well as sleeping in yurts, rock climbing, fire-building and learning all about the Home Guard and Air Raid Precautions, they worked brilliantly in teams, strengthened new relationships and were very well behaved. More photos to follow soon on the website.

Kew Gardens – Year 1

Year 1 had a lovely time learning more about plants and our wonderful local area by visiting Kew Gardens this week.

Fulham Palace – Year 5

Year 5 learnt more about their history topic of The Tudors this week at Fulham Palace. The children even got to make their own Tudor medicine!

Barnes Children's Literature Festival

Children across the school attended workshops at the Barnes Children's Literature Festival. Pupils in Years 1, 2, 3, 5 and 6 met authors and listened to them explain the interesting process of writing.

Watering Thursdays

Following the success of last week's [watering appeal](#), we will be inviting children to water the plants with water bottles each Thursday.

Sports

East Sheen Primary ran, jumped and threw their way to success this week at the Borough Athletics Competition; they came back to school as the champions we know them to be. Their commitment and talent was awe-inspiring (and exhausting even to watch).

We can't wait to represent South London in the next stage of the competition!
