Award Winners

Congratulation to A in Year 3, who has impressed her teachers and classmates with her consistently excellent attitude to her work and her friendly, caring manner with peers. She wins the Helping Hands Award this week.

Well done to S who wins the Sports Star Award this week. The Sports Captains have heard about her resilience and determination in swimming lessons.

Reception Bonfire & Teddy Bears' Picnic

Children in Reception have been enjoying learning about Bonfire Night, Diwali and fireworks. They held their own bonfire and created beautiful artwork. Thank you to A, who spoke beautifully to her class about the way she celebrated Diwali.

Habits of Mind

This half term, children are focusing on the Thinking School Habits of Mind 'Being Clear' and 'Thinking Flexibly'. As well as using these skills to help with their learning, they will also use the skills when thinking about their environmental intelligence topics.

School day times and absences

Please remember that school starts for all children at 8:50am. We are seeing a number of children arriving at 9:00am or later. Just ten minutes a day adds up to nearly an hour of school missed a week.

Enchanted Woodland Experience

Richmond Parent Carer Forum are offering families of children with SEND the chance to visit the Enchanted Woodland for free on Saturday 19th November at 4:20pm. Register [here](#) and follow instructions for booking.

Safeguarding

In October, all staff completed training on the 'Prevent Duty', a commitment to protecting young people from radicalisation and extremist content. There is lots of information about protecting young people from some of the discussed online risks through the [NSPCC](#).

Attendance and absence - please continue to help us reach 97%.

School target: 97%

Last week's total: 95.57%

Remembrance

On Friday, the school stood still at 11:00am to reflect on Armistice Day. Year 6 made some poppy-themed biscuits and Year 4 will lead the school in an assembly of remembrance later in the term.

Year 5 Viking Day

Year 5 had a fantastic time celebrating their historical learning about early settlers this week. Using skills learnt in design and technology lessons, the children designed and built their own model long boats and used maps to track the journey of the Viking settlers in England. They shared an amazing assembly with parents and the rest of the school. Well done, Year 5.
