## Sport

A Year 5/6 football team have taken gold to become Richmond champions and now progresses to the London Youth Games.

A Year 2/3 football team also played well in their tournament and have become Richmond champions.

## Personal Development Matters:

Personal development is a huge part of children's education experience. It's all about supporting children to be confident, curious and responsible. We do this in a number of ways, for example by teaching thinking through Thinking Schools, our environmental curriculum, encouraging teamwork and through the range of extra-curricular opportunities and responsibilities we offer in school.

## Helping Hands and Sports Star Awards

Well done to C in Year 6, who is awarded the Helping Hands Cup this week for the valuable contribution she makes to her class.

A wins the Sports Star Award for demonstrating excellent, motivating leadership skills in sports teams.

They are both excellent role models for children at school.

## Safeguarding – Warm Spaces and Healthy Eating

Please follow the links to 'warm spaces' in [Richmond](#) and [Wandsworth](#). These are places that are heated and open to the public to use during the day. Some venues will also offer hot drinks, activities and access to other services.

## Healthy Eating

With support from the PTA, we are pleased to be offering fruit to any children in KS2 who wish to help themselves at breaktime. This is in addition to the fruit that all children in Reception and Years 1 and 2 receive. Please ensure any additional snacks brought from home are fruits or vegetables as per our [healthy eating policy](#).

## Attendance and absence - please continue to help us reach 97%.

## Newsletter 27<sup>th</sup> January 2023

### Reception – People who help us: postal workers

The children in Reception have been learning about people who help us. They wrote letters home and posted them as part of their learning about the journey of a letter. They have also created their own flow maps to show the journey.

### Wellbeing Award for Schools

Gentle reminder: following on from the letter sent out on Parentmail this week, here are the links to the evaluation forms for wellbeing at ESPS. We really do value your responses and they will help create an action plan to further develop wellbeing at our school.
