

East Sheen Primary School Newsletter 10th March 2023

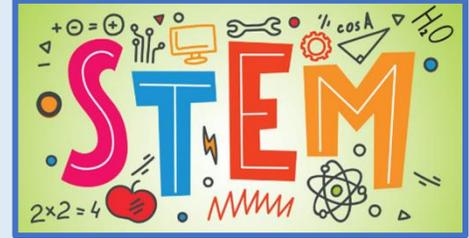

Chess tournament

Congratulations to the chess players who represented the school last week. There were some brilliant scores and tight competition. We are particularly delighted that three girls from East Sheen Primary have been chosen to represent Richmond at the upcoming EPSCA inter association girls' championships.

STEM Week

This week we will be celebrating science, technology engineering and mathematics in school. Thank you to all our visitors and if you would like ideas for home, click [here](#).

Punctuality

Please remember that school starts promptly at **8:50am**. Please help children be in class on time.

Year 5 Geography

Many of you will have seen the creative diagrams in the playground of the formation of meanders and oxbow lakes. Year 5 were able to give superb demonstrations to show their geographical understanding in their study of rivers.

Award Winners

Well done to E in Year 4 for winning the Helping Hands Cup this week. She looks out for others and is kind and responsible.

Well done to I in Year 5 who has earned the Sports Star Award for her commitment to running club and fitness.

Well done to both these role-models.

Attendance and absence - please continue to help us reach 97%.

School target: 97%

Last week: 95.38%

Classes above target: 5

Zones of Regulation

This week, a group of children in Year 4 spent time thinking about the Zones of Regulation and how they can help themselves to manage their emotions to get the most out of school life. They are also working on setting up their classroom "regulation station" and, as you can see, came up with some fantastic ideas on what to call it.

Green Zone

Thank you to everybody who supported the Green Team's 'ReLove Clothing' sale. The children worked really hard to promote the benefits of reloving clothing and the environmental impact of reducing clothes production.

In addition, the children raised £100 and are looking at sustainability initiatives to promote next term.

Pupil Premium Holiday Activities

Bookings have opened for the Easter 2023 FUEL Holiday Activity and Food programme!

FUEL provides free activities for children whose parents are eligible for benefits- related Free School Meals during the Easter, Summer and Winter school holidays.

If a child is eligible, you should have been given a 17 digit FUEL code either from your child's school or AfC.

If you think a child may be eligible but you have not got a code, email the FUEL team at: fuel@achievingforchildren.org.uk.

If you have got a code, you can book on to sessions now: <https://kr.afcinfo.org.uk/pages/community-information/information-and-advice/fuel-holiday-activities-and-food-programme>

Comic Relief

A reminder that children can support comic relief this Red Nose Day on Friday with a silly hairstyle, or by wearing a nose. Donations can be made [here](#).

Safeguarding

This week, staff have been completing their mid-year safeguarding quiz from London Grid for Learning (LGfL). LGfL also has some great [parent resources](#).
