

Coronation

The whole school had a wonderful day on Friday 5th May, celebrating the coronation of King Charles III. Despite a short, and very British, downpour, the coronation picnic was a great success.

Reception Cycling

This week, Reception enjoyed their cycling training. The children followed instructions well, learning how to safely balance, start, stop and have control when on the bikes.

Green Initiatives

2B and 3G won this week's Eco-Elephants, for their work on keeping their classes environmentally intelligent.

Next week is 'Walk-to-School' week, where all children and staff are encouraged to walk all or part of their journey to school.

Information on this year's 'Clean Air Day Challenge' can be found [here](#).

Award Winners

Well done to Alice in Year 3 for winning the Helping Hands Cup this week. Alice is a great role model for her classmates: supportive, hardworking and kind.

Emily in Year 2 and Ivy in Year 6 were the past two winners of the sports award, both for their determination and commitment to sport sessions and encouraging others.

SATs

Well done to Year 6 for completing their SATs tests this week. They were brilliant showing off all their learning and did themselves proud.

Year 2 continue with their assessments this term and more information for parents about the statutory assessment tests can be found [here](#).

Attendance and absence - please continue to help us reach 97%.

School target: 97%

Last week: 97.27%

Sport

Our Year 6 netball team played fantastically this week beating Meadlands Primary School 25-0 and therefore securing their place in the Richmond League finals in a couple of weeks' time.

'Safe and Sound' Workshop

This week, as well as showing incredible resilience during their SATs, Year 6 took part in a 'Safe and Sound Workshop' delivered by one of our parents.

The children learnt how to stay safe and be vigilant with their growing independence as they transition to secondary school. The workshop was extremely informative, enjoyable and invaluable for their safety. The Year 6 teachers and pupils would like to express their huge thanks to Dean.

Health and Safety

Please support us in reminding children that they are not to play with/on equipment (such as climbing frames, footballs, the Trim Trail) before or after the school day. Thank you in advance for your assistance.

Coming Up

15th May-19th May – Arts Week: the children will be celebrating all things arts based, with whole school art, music and drama events.

18th May – Sports Day: we look forward to welcoming you and your children to Barnes Elms Sports Ground on the 18th May for our annual inter-house Sports Day.
