

East Sheen Primary School

Newsletter 23rd February 2024

Welcome back! Over the half term break, we have been very excited to further improve our play spaces across school: the sandpits have been reopened and we have new playground markings for the students to enjoy.

Swimming Gala:

Congratulations to our fantastic swimmers who performed brilliantly in the swimming gala at Putney Leisure Centre before half term. A special mention to C and Z who won three gold medals between them.

NSPCC assembly:

On Monday, Year 2 and Year 5 participated in a 'NSPCC Speak Out. Stay Safe.' workshop. This involved age-appropriate learning about how to recognise different signs of abuse and who to speak to, if they are worried.

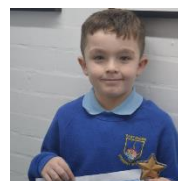

ADHD Embrace:

We are committed to supporting our children and parents' emotional well-being and strive to promote a greater understanding of how best to support children with SEN at school and at home. Please click here for [more information](#) about a workshop run by Sallie Crook (from ADHD Embrace) on 22nd March.

Helping Hands Award:

Well done to A in 5B, who was awarded the Helping Hands cup this week for always having a cheery smile on his face whilst offering to help his teacher and classmates.

Sports Star:

This week's Sports Star is R in 4H for being a great sportsperson and role model for his classmates.

East Sheen Primary School Newsletter 23rd February 2024

Sports Challenge:

Every week, our Sports Captains set the school a challenge. This week it is to complete 10 burpees after a sweet treat.

NS Sports:

Year 2 played in a borough football tournament this week. The children were perfect! They scored lots of goals and were proud to represent ESPS.

We will be celebrating **World Book Day** on 7th **March**. To reduce the cost to parents and to be environmentally conscious, we would like to **collect donations of costumes** and hold a sale on Friday 1st March. If you have a dressing up costume in good condition, that you would like to donate, please bring it in a bag and leave it in the school office before Wednesday 28th February.

Notices and reminders:

From September 2024 Lady Eleanor Holles School is opening as a teacher training hub in Maths and Physics and MFL in secondary schools. They will work alongside two national School-Centred Initial Teacher Training initiatives – known as SCITTs – to train brilliant teachers of the future. For more information, please [click here](#).

Attendance and absence:

School target: 97%

Last week: 93.53%
