School Vision

- Our purpose is to nurture happy, confident children who think deeply about themselves and others in preparation for the challenges ahead.

School attendance

Our aspirational levels of attendance and punctuality for all students is 97%

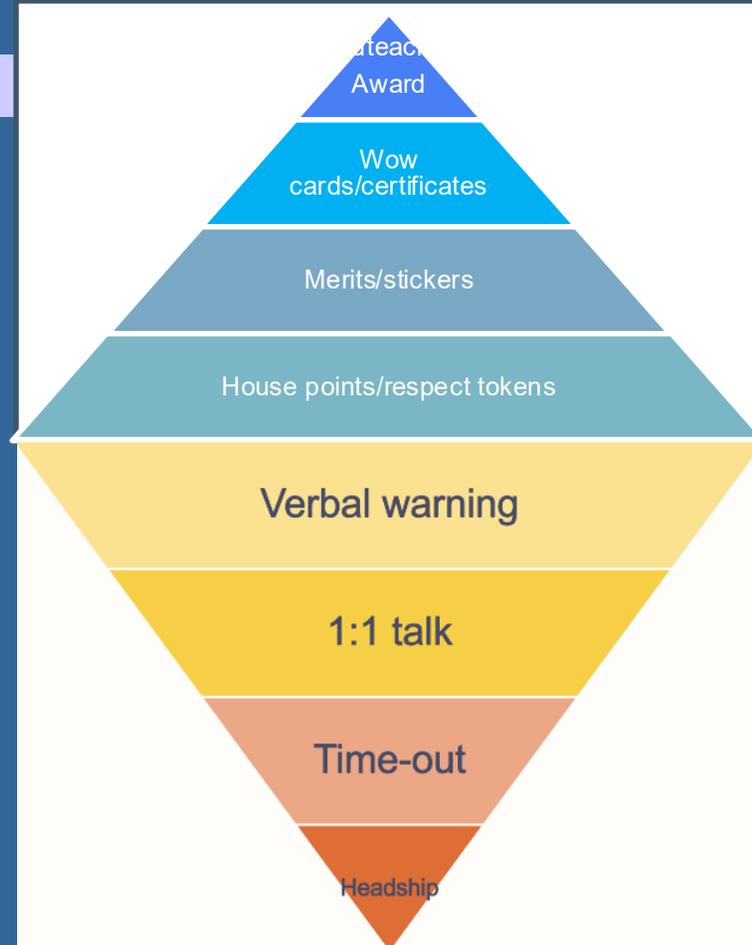

Why is good attendance important?

- so that children can make the most of the educational opportunities available to them
- it supports children in achieving their full potential in learning
- it increases their sense of belonging at school, which is linked to better mental health
- it enables children to establish a resilient work ethic early in life
- it improves children's future life chances

Punctuality also impacts the progress of children within school.

Please do speak to us if you are struggling with the punctuality or attendance of your child – we would like to help and support where we can.

How We Support Early Reading and Writing Skills

- Daily reading
- Spelling words
- Opportunities to write
- Handwriting
- Fine motor development

Here are some tips to help children of all ages to enjoy reading and to read more often.

1. Take breaks while **reading**.
2. Build **reading** into **your child's** daily routine.
3. Encourage **your child** to follow **their** interests.
4. Use technology together.
5. Encourage **your child** to be the author, retell or make-up stories.
6. Discuss favourite stories and the story within the book they are reading.
