

Attendance news:

We would like to thank everyone for supporting strong attendance at school. Last week, the school was recognised by the Department for Education as a 'higher performer' compared with similar schools. This means our attendance outcomes are amongst the strongest compared to similar schools. Being named by the Department will help us in the work that we do to support other schools by sharing best practice.

Pupil Parliament:

Two students, I and S in Y6, represented ESPS at a Pupil Parliament event recently at York House, alongside the Mayor of London. The students were asked to discuss whether children should have access to smart phones, and the Mayor was very impressed by the high standard of the speeches.

Year 3:

Last week, Year 3 enjoyed an exciting trip to Kew Gardens as part of their geography lessons on rainforests and their ongoing Guardianship of the Trees. The day was packed with activities, including a fun scavenger hunt in the Palm House, a thrilling walk along the treetop walkway, and an exploration of the fascinating new Carbon Garden. It was a wonderful opportunity for the children to deepen their learning while spending most of the day outside!

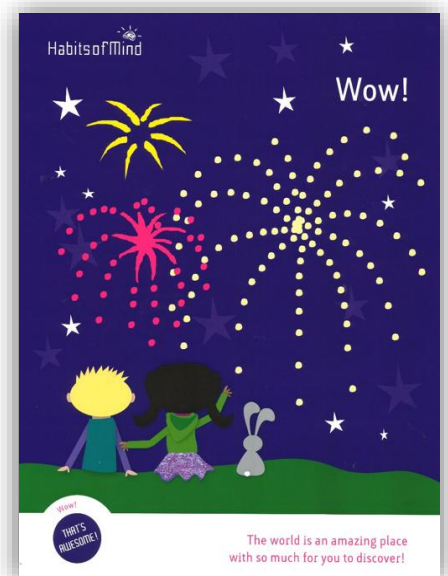

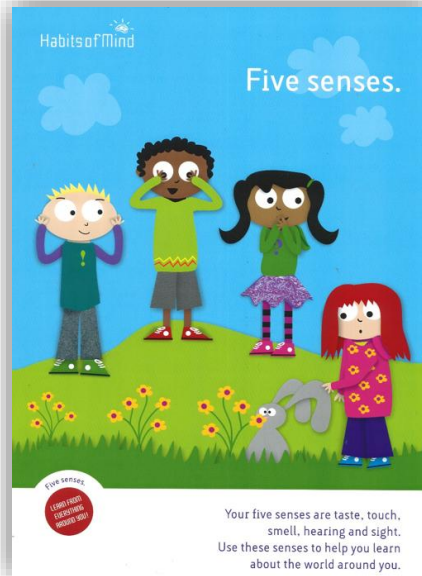

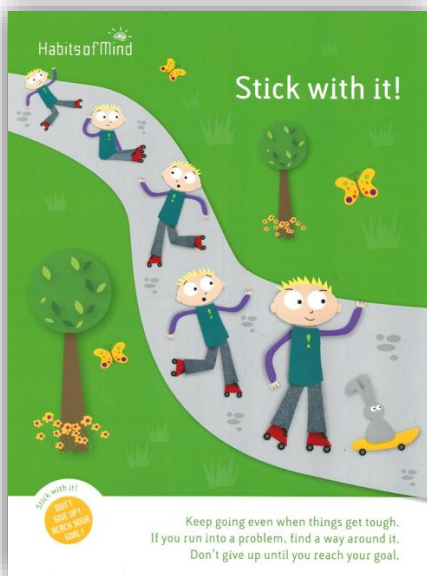

Helping Hands:

Well done to G in 3S for being our Helping Hands award winner this week for his many attributes, especially for showing great empathy and patience with everyone around him. He embodies the ESPS values of being happy, curious, resilient and kind.
