Mrs Canner informed the children that the new notice board had been established so the children could refer to that for dates of the next meeting, agreed actions etc.

Last year the PLT raised money to sponsor Guide Dog for the Blind puppies. We will now receive regular updates and these will be placed on the notice board. There is also a mini sticker chart for each class – these were handed out together with the first sticker. The children were asked to display these in their classrooms if possible.

The PLT discussed the role of the Governing Body and Mrs Canner explained that she would be passing on information from the Governors from time to time – usually following a Governor's meeting.

Messages from the Governors for this meeting:

- Congratulations on being appointed!
- Looking for PLT to continue to provide feedback on school lunches
- The Governors have plans to work with Mrs Page and Mrs Canner to improve the school toilets.

The children began to feedback ideas from their classes for PLT actions for this year. This will be continued next week due to time constraints and some absences.

Agreed Actions

The next meeting will take place on Wednesday 30th November @ 12.50pm.
