Year 3 art & cooking:

Year 3 pupils have been experimenting with surrealist art skills this week, producing a creative picture with their rubbings.

Pupils also had a wonderful time making healthy wraps on Thursday. Their cooking linked in with their science topic on eating healthy and balanced meals. Lots of smiles and yummy wraps!

Helping Hands:

Congratulations to F-R in 6T for being our Helping Hands winner this week, for always being ready to learn, considerate of others and a great role model for her peers.

Sports Star:

Well done Z in 4F for being our Sports Star this week for showing great resilience, effort and progress in her swimming lessons this week.

Sports information:

Last year, we introduced a form that welcomed information about sports participation outside school for parents to complete. It was useful for us to understand the breadth of the sporting talent in our school. If you'd like to update your submission, [you can do so here](#).

St Paul's School Partnerships:

We were excited to welcome students from St Paul's School to continue our partnership with the school again this year. The students support East Sheen Primary pupils in a 'Primary Professors' scheme, delivered some philosophy workshops and are helping two teams compete in the Lego League.

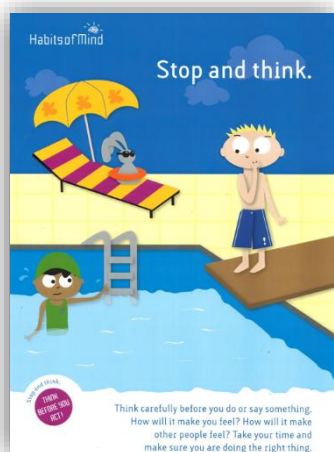

Jeans for Genes Day 2026:

Thanks to all of you who donated so generously to our charity event a few weeks ago. We raised a massive £360, which will make a difference to families in the UK affected by a life-altering genetic condition.

Notices and reminders:

Birthday treats: Following a review of our healthy eating and allergy policies, school staff will no longer be distributing birthday treats in classes. If these are brought in, school staff will return them to parents and carers. We have seen great enthusiasm for the **'Birthday Book'** initiative, where pupils are invited to bring in a book to share with their class as a special treat on their birthday, and thank parents for their understanding in this safety-related change.

For any budding artists who are interested in the 'Reinvention' Competition, in conjunction with Octopus Energy, and a chance to win £500 for our school, please [click here](#).

If any parent/carer or volunteer has mistakenly taken a 'visitor' lanyard home, please return to the main school office. We are running very low!
