

Safeguarding at East Sheen Primary School

Safeguarding means keeping children safe, healthy and supported. Every adult in our school helps to protect children and make sure they can learn in a safe environment.

Our Designated Safeguarding Lead (DSL) Team:

- Harry Page - Designated Safeguarding Lead (DSL)
- Polly Jones - Deputy DSL
- Victoria Strang - Deputy DSL
- Maddie Jensen – Deputy DSL

What the DSL Team Does:

Listen to children and families when they need help.

Work with parents to support children.

Help children who may be worried, upset or unsafe.

Speak with other services when extra support is needed.

Make sure safeguarding concerns are acted on quickly.

How Parents Can Help:

Please talk to the DSL team if you are worried about a child, need support for your family, or have concerns about safety or wellbeing. We are here to help.

Safeguarding is everybody's responsibility.
