1/ The PLT members returned the lunchtime feedback forms.

2/ All members were handed a circle map which had been completed to show the children's ideas for school improvement that had been raised at previous meetings. A common thread was ideas for lunchtime improvements including;

Improve wet playtimes

Friendship bench

Lunchtime play equipment/games

Toilets – privacy/soap and tissues

Bird house in the playground

Lunchtime clubs for KS2

These ideas will be considered again next time; they fit nicely with the targeted improvements in the lunch hall and dining room.

The PLT also discussed making signs/notices for the toilets and playground to remind children about the school rules and behaving responsibly around school.

3/ A separate idea raised was for suggestion boxes. The meeting thought that this was something that could be easily achieved alongside the lunchtime focus.

- For classes – suggestion/worry box
- Library – suggestion box for new titles

Agreed Actions

Mrs Canner to discuss suggestion box ideas with Miss Ruocco/ other class teachers

The next meeting will take place on Wednesday 8th February @ 12.50pm.
