

How to help your child find the right book

Please find below a number of links to online resources (all produced by the [BookTrust](#) – the UK's largest children's reading charity) that can help your child find the right book:

- [Booklists](#): Take a look at their themed booklists to help you find your child's next book. The lists explore all sorts of issues and themes.
- [Bookfinder](#): Search by age and topic to find some great recommendations.
- [Great Book Guide](#): 60 brilliant books, all suitable for primary-aged children.
- [100 Best Children's Books](#): A list of the BookTrust's 100 best books for children from the last 100 years: the ultimate booklist to read before you're 14.
- [Books we love this month](#): Every month, the BookTrust reviews dozens of children's books and lists them here.

You will also find recommended reading lists on each of our year group pages courtesy of [Guiding Readers](#).
