Helping Hands Cup

Mrs Crichton faced a real dilemma this week when choosing the Helping Hands Cup winner; her class have settled so beautifully and she had many potential winners to choose from. B was her choice; she is helpful to her teachers but is always looking for opportunities to help her friends too both in the classroom and around school. Well done B.

Tate year3 project

We are delighted to announce that the school will be part of the Tate Year 3 project. You may have heard about this on TV this week; the photographer and film director Steve McQueen is planning a vast new work of art which will be one of the most ambitious visual portraits of citizenship ever undertaken. Year 3 children will be photographed at school in December. More information and permission requests will follow.
