Helping Hands Cup

S is this week's winner of the Helping Hands Cup. Mrs Hunter chose S because not only is he helpful, but he is kind, caring, independent and always tries his best in his work so is helpful all round. Super comments S!

Sports Star

Well done!! She is this week's sports star for her passion, encouragement and cheerfulness in all sports.

Year 2 Pizza Express Visits

This week Class 2T visited Pizza Express and returned with delicious pizzas that they had made. This hands-on experience will support their English as they write instructions on how to make a pizza. As they say—there's no such thing as a free lunch!

Pollution Mitigation

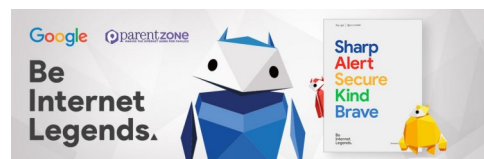

East Sheen Branch of Mums for Lungs is holding an air pollution awareness event on the 17th October at The Plough, starting at 8pm. They have invited guest speakers and there will be questions and answers from the floor. It is an opportunity for local people to hear from the experts and ask questions in order to find out what we can all do to improve our air quality.

Online safety assembly

Key Stage Two enjoyed a 'Be Internet Legends' assembly this week; a really fun and engaging assembly provided by Google and Parentzone. The children were reminded of the skills they need to explore the opportunities of the internet safely and included issues such as phishing, password creation and protection, and the identification of trustworthy websites.

Road Safety Meeting

Zac Goldsmith is holding a meeting with representatives from TfL to discuss road safety on the Upper Richmond Road, particularly the pedestrian crossings. Parents and carers are invited to attend and he is especially keen to hear representations from parents/carers whose children have been involved in any 'near misses' to really highlight the need for immediate action to improve the road. The meeting will take place on 15th October at 10am in the East Sheen office, 372 Upper Richmond Road West. A member of the Headship team will be attending the meeting. This is a great opportunity to campaign for road improvements.

Home Time

When collecting children at the end of the day please leave the school site promptly. The astro and climbing frames are used by afterschool clubs and to ensure safeguarding of these pupils all visitors must vacate the site before clubs commence. Many thanks for your cooperation.
