### Helping Hands Cup

Miss Fuller has chosen B to receive the Helping Hands Cup. He is a very helpful pupil in class, always making the right choices and supporting others to do so too. Well done B.

### Sports Star

Viking warrior E is this week's sports star. E is a superb runner and always remembers the correct kit for PE and sport (when she's not in Viking dress!).

Congratulations to Theo (6M) who was part of the winning Lifetime tennis team which won their division competing in the Team Tennis Surrey 2018 tournament. Theo was coached by Luis Perez who started Lifetime Tennis sessions at ESPS last year.

### Borough Champions

Our Year 6 mixed Tag Rugby team became Borough Champions this week. They showed great resilience to secure this victory, coming through some very tough matches to meet the previous champions in the final. What a fabulous achievement.

### Maths Evening

Thank you to all the parents who attended the maths curriculum evening on Tuesday and for the very positive feedback—who knew maths was such fun?! The presentation from the evening is now available on our website

### Year 5 Viking Day

Year 5 had a very busy day on Wednesday, immersed in Viking Life. They wore fabulous costumes, designed a Viking sword and enjoyed a 'Viking Feast'. They also educated and entertained parents and the whole school with a wonderful assembly.

### Year 1 Visit to London Zoo

Year 1 had a fabulous day at London Zoo. They enjoyed a 'Hands On' workshop exploring different animal skins and finding out about the different ways animals camouflage themselves.

### Word Millionaires

The total number of words read in KS2 this half term is 16,608,480! The children were very excited to see the totals revealed in assembly. Congratulations to Class 5H who topped the table with 4,411,092 words. Half term is an ideal opportunity to continue reading and work towards the millionaire award.
