Helping Hands Cup

Congratulations to L who has been chosen by Miss Bracey this week to receive the Helping Hands Cup. L impresses with her positive approach to school, arriving each morning with a smile and 'good morning'. She is always helpful in class and is

hardworking, independent and displays resilience when faced with a challenge.

Sports Star

S is this week's sports star. She is a superstar in PE lessons, helping her friends and always having bags of energy.

Well done S!

Northbrook Wrapping Paper

Christmas is coming ...Look out for the wrapping paper and accessories order forms and brochures in book bags. Orders should be returned to school by Friday 16th November.

Habits of Mind (HOM)

Habits of mind is one of the three tools that we use as a Thinking School. There are 16 behaviours or habits that are promoted. Each week, in the newsletter we will highlight a behaviour so that parents and carers can be familiar with the tools being used in school.

1/ Persisting - stick with it! We encourage children to persevere when faced with a challenge, to look for alternative solutions and not to give up.

Year 4 Visit to Air Raid Shelter

Year 4 had a fantastic time visiting the Air raid shelter at St Leonard's Court in East Sheen as part of their 'Sheen in the War Years' topic.

They were able to go inside the shelter

and imagine what it

would have been like during The Blitz for the local residents. It was fascinating! We received fabulous feedback on our children's behaviour. Well done Year 4.

Pupil Leadership Team

Our new Pupil Leadership representatives have been elected by their class members. The team were introduced in the whole school assembly this week. They will be working with Miss Tetlock this year to represent the pupil voice and take forward their action plans for school improvement.
