Helping Hands Cup

This week the Helping Hands Cup goes to A in 3K. She has been chosen by Miss Kapllani as a pupil who is always positive, polite and hard working - qualities that are extremely helpful to a teacher. Well done A.

Sports Star

L is our sports star this week. He is an all round athlete and always participates with enthusiasm.

Habits of Mind (HOM)

Number 2 - Managing impulsivity. In work and play children are shown the benefits of thinking before acting, to remain calm, be thoughtful and deliberative.

Year 1 Animal Assembly

Year 1 delighted the school with their animal assembly. They were so confident in delivering their lines and sang and acted brilliantly. They have learnt so much during the topic and clearly had a fabulous time when they visited London Zoo.

Fireworks in Reception

Reception have been busy making edible fireworks. They built a 'bonfire' by carefully weaving lots of different materials to create flames and then enjoyed their fireworks washed down with a lovely cup of hot chocolate. To finish their firework party they danced with exuberance to 'Firework' of course!

Starting school in September

The closing date for applications is Monday 15th January. Please go to www.richmond.gov.uk for details of the application process. You can apply online at www.eAdmissions.org.uk.
