Helping Hands Cup

Mrs Strang was very excited to choose the winner of the Helping Hands Cup this week - she knew just the person! J anticipates when her teacher needs help but is also working hard with her own learning.

Sports Star

D is this week's sports star. D was chosen by Miss Fuller for her contribution and commitment to running club.

Habits of Mind (HOM)

Number 3—Listening with understanding and empathy. Children are encouraged to understand others and make an effort to see another's point of view.

Road Safety Week

Next week is road safety week which provides the ideal opportunity to remind children about how to stay safe on the roads.

The school has been liaising with TfL to push for improvements to the main road and changes will be seen - new Wigwags are expected in the short term. When crossing the Upper Richmond Road, please encourage the children to use the pedestrian crossings rather than the zebra crossing opposite the garden centre.

This week, some of our children were interviewed by Richmond Borough, seeking their views as part of the 20mph consultation. To give your views go to www.richmond.gov.ukconsultation_on_borough_wide_20mph_limit_launched

Sheen in the War Years Assembly

Year 4 produced a stunning assembly to both the school and parents this week. They sang beautifully and it was a very emotional performance including a one minute silence to commemorate Remembrance Day. The children and staff all looked fabulous - well done Year 4.

Chess Grandmaster Visit

There was lots of excitement in Chess Club this week when they received a visit from chess superstar, Jóhann Hjartarson. He is an Icelandic chess grandmaster; a six-time Icelandic Chess Champion and a two-time Nordic Chess Champion. Jóhann observed the children playing and shared a few top tips.
