Helping Hands

Mrs Clacher has the pleasure of choosing the Helping Hands Cup winner this week. As ever it was a hard choice but J was chosen for her helpfulness and maturity in the classroom.

Health Warning

We have been notified by our nursing team that there have been 4 confirmed cases of whooping cough in the community. It is recommended that parents or carers check that their children's immunisations are up to date.

Parenting Classes

Gil Hines, who is well known to the school, is running 2 parenting classes on 'Supporting your anxious child' and 'Managing behaviour in under 8s'. For more information or booking go to <http://www.gillhines.co.uk/>

Supporting Children with EAL

In school we have many children who have English as an additional language (EAL). Their language acquisition ranges from 'fluent' to 'new to English'. Parents and carers who speak languages other than English are a valuable resource in school. If you are multilingual and would be willing to provide support in school, either on a regular basis or ad hoc basis please contact the school via info@eastsheen.richmond.sch.uk with details of your name and the languages you are able to speak. Many thanks for your support.

Happy New Year!

We would like to wish all our families a very happy and healthy new year. The children have returned to school refreshed and ready for the new term which looks set to be as busy as ever!

The start of a new term brings some changes. In assembly this week our new pupil leadership posts were announced for House Captains and Sports Captains.

Sports Captains (left to right) Y, E, M, M, J and S

House Captains (left to right) N, T, J and L

Habits of Mind (HOM)

Number 9: Think and Communicate with Clarity and Precision.

We encourage children to think and rehearse before communicating in both written and oral form.
