### Helping Hands

I is this week's winner of the Helping Hands Cup. She is proactive around the class and uses her very good organisational skills to help; particularly on a Friday afternoon after art when energy levels may be flagging but there is lots to tidy. Well done I.

### Sports Star

Our sports star this week is R. A superb sportsman who commits enthusiasm to the wide range of sports that he participates in.

### Sports News

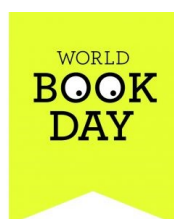

This week our netball team played in a tournament. They won 4 games, drew 1 and lost 1 so moving through to the cup competition. They lost in the cup to the eventual winners of the tournament. The team played really well and displayed some

great sportsmanship throughout the day.

### On-line Safety—Momo Challenge

You may have read some alarming reports about the 'Momo Challenge' in the media. The NSPCC has stated that it is a hoax and there is 'no evidence' that the viral message poses a risk to children despite some panic. However, what it does highlight to us all is the importance of knowing what our children are watching online and ensuring that appropriate controls are applied to online devices. It is important to talk to your child about what they are doing online and ways to stay safe, something that we cover extensively in our curriculum at school. Please follow this link to an article from the BBC which discusses the hoax challenge.

### Fun Run 16th March

Dust off those running shoes! A reminder that application forms need to be returned for the Fun Run on 16th March in Palewell Park along with your sponsorship forms. This is a great PTA event for the whole family.

### Habits of Mind (HOM)

Number 15: Work interdependently

Being able to work together and learn from others

### School Attendance Figures ( 11-15th Feb)

Well done to Kites who top the leader board but disappointing figures overall from unauthorised holiday absences before half term. Please do check school term dates before booking travel arrangements.
