Well-Being Week

There has been a very positive atmosphere in school this week arising from the wealth of well-being activities taking place. A huge thank you to everyone who has participated to make this a

success, including donations of foods for 'Tasty Tuesday' and submitting family selfies. Reception enjoyed a woodland walk on 'Wow Wednesday'. The teachers have also provided entertainment at lunchtimes with games of netball, rounders and a tug of war. The week's events closed with a school relay around the Phoenix Mile, we managed to clock up hundreds of miles!
