

ESPS SPORTS NEWSLETTER

AUTUMN 2015

This term our Year 6 Sports captains have started the year with a bang showing maturity, responsibility and commitment.

Finley has been involved in many sports throughout his time at ESPS, demonstrating skill and speed which he applies to every sport that he participates in. His charm, organisation and consideration has helped to keep sport running smoothly.

There is no sport that Ava will not immerse herself in – in fact we have to try to slow her down! Not only is she a talent but her genuine passion and graft for sport is infectious and she has led with these attributes.

We are very proud of, and grateful for, the captains – they have been a huge help and are excellent role models.

We Won Silver!

Congratulations to all the children, staff, coaches and parents for helping us to achieve the Silver Sainsbury's Kite Mark.

For your information:

Under the PE section on our website you will see updated information on our PE kit and competition Selection Process. Here you can also track the spending of our government Sport funding and the status of our League Tables. For further questions please speak to Jade Fuller or Scott Hunter.

New Start...

In September we changed our sports provision to Next Steps Sport. Although ESPS thought we executed PE pretty well, the new provision (along with the Government funding) has helped to push this department even further!

- ★ New clubs : Gymnastics for KSI, hall sports (KSI) and Girls Football (KSI).
- ★ Whole school impact. Staff have received expert training to give consistency between teacher sessions and those delivered by NSS coaches.
- ★ Inter-house competitions. Each term every child will represent their house team to compete in the sport that has been covered. Results are displayed on the notice board outside 3F. Here you will also see our Sports Celebrity - so please have a look!
- ★ Year 6 Leaders. To develop leaders in and out of the classroom students have been invited to assist in managing games with the guidance of the NSS coaches. This has been incredible for their confidence and leadership skills.
- ★ Equipment for lessons. We've re-planned our lessons and sourced new equipment to support this.
- ★ Kite mark. In order to measure the hard efforts and level of sport at ESPS, NSS applied for a Sainsbury's kite mark and were awarded SILVER! This is excellent news but it's just the beginning and we can't wait to implement further opportunities to win GOLD!

Join us this Christmas
Monday 21st to Wednesday 23rd December
Childcare from 08.00 – 18.00

Girls and Boys Aged 4-11
From £2.80 per hour
SW14 8ED

Visit www.nssport.co.uk to book online.
Do you know? NSSport accept childcare vouchers.
East Sheen Primary School SW14 8ED

www.nssport.co.uk

Please Can You Help?

- KS2 Running Club is always very popular amongst the children. We jog to Palewell Park for about half an hour of running games and activities. The lunchtimes could be arranged to suit the availability of volunteers. -

To register your interest, please contact Jade Fuller on info@eastsheen.richmond.sch.uk

ESPS are incredibly grateful for all the help and support from the children, parents, staff and coaches this term. Thank you and Merry Christmas!
