Sports Star

N been selected for the sports award this week. He shows a passion for sport through his consistent enthusiasm for all sporting activities.

Your PTA Needs You

Our current PTA committee (including the Chairs of the PTA) is coming towards the end of its term. The PTA raises around £40,000 each year which buys precious resources that otherwise the school would have to manage without. Against the backdrop of reduced funding for schools this contribution from the PTA is increasingly important. If you would like to join the committee or can offer occasional help then please contact the PTA via louisamargiepta@yahoo.com.

Pocket Toy Reminder

We have reminded children that any toys brought into school should be 'pocket sized'. The toy should also be inexpensive and not have sentimental value in case of loss or damage. Thank you in advance for helping to support this rule.

Riverside Radio

Last week the school was visited by Riverside Radio (a local radio station) to find out more about our green wall and the Back Pack Project. Children were interviewed for the radio programme and also spoke about the environmental initiatives in place at school led by the Green Team.

PTA Summer Ball

Last Saturday the PTA Summer Ball took place at The Bank of England Sports Club. The evening was a tremendous success, raising £22,500! It was a wonderful event thanks to the hard work

of the Ball committee. The venue had been decorated beautifully to provide a magical setting for the ball. Thank you to everyone who contributed to the event.
