## Maths Week—'Maths is all around'

The children have had a great week celebrating all things maths. They have been entertained and baffled by a maths magician, inspired by a poet to write maths poems and enjoyed workshops from visitors and parents who have illustrated how much maths features in our everyday lives. In assembly we celebrated the wonderful hats and posters that the children have made.

## Maths Wizards Competition

F, R, B and I represented the school in a Year 5 Maths Competition. They worked brilliantly as a team facing some tough maths problems.

## Sports Day

Neptune were the victorious team of Sports Day 2019. However we are very proud of all our children who competed so well in both field and track events. The sun shone and it was a wonderful sight to see great sportsmanship cheered on by family and friends. A big thank you to everyone who worked hard to make this a success.
