Helping Hands

A is Miss Tetlock' Helping Hands winner. She is amazing at giving her teacher gentle reminders of jobs that need doing, which is particularly helpful at this time of year in school when teachers are incredibly busy. She is also helpful to her classmates too.

Sports Star

E is the sports star this week, recognised for her team work, commitment and all round positive attitude to sports.

Year 2 Multi Skills

Year 2 competed at a multi skills festival with activities involving balance, agility and coordination. They performed brilliantly and now go through to the borough finals in July.

Diary Dates: Week commencing: 1st July

Monday

Tuesday Year 3 Greek workshop
2.45pm Yr 3 Parent assembly
Year 1 Boys' football at Rocks Lane

Wednesday

Thursday Mufti Day—Place 2B

Friday Reception cake sale

Charity Fundraiser

Following the successful cake sale by Yr3 & Yr2 (which raised £439 for WWF) the money has been used to adopt 7 endangered animals, one for each year group, helping WWF to protect their future. The animals (soft toys!) were presented to each class during assembly this week. With wildlife species in sharp decline, we are so proud of our children to think about and support such worthy causes.

Playground Improvements

We are delighted with the additions to our playground. Some of the areas are already in use by the children, others are awaiting final finishes.

We need to provide play equipment for the sand pit and mud kitchen area and so are looking for any donations that would be suitable for use—eg. saucepans, utensils, cooking trays, cake tins, buckets, spades, sieves and colanders. Please have a look in your cupboards for any items that need recycling and would be suitable for these play areas.

We are also establishing a dressing up area in the KS1 playground. If you have any good quality dressing-up clothes, scarves, hats, bags etc. that your own children have outgrown and you would be willing to donate, then we would be very grateful.
