Helping Hands Cup

Mrs Strang was delighted to nominate N for the helping hands cup award this week. N has worked incredibly hard this year; he listens to advice and acts on it. In recent weeks he has shown commitment to the Year 6 production rehearsals being

one of the first to learn his lines and the lyrics to the many songs. Well done N for making your teacher so proud of you.

Sports Star

A team win this week. Our sports captains awarded the sports star to the NSSport coaches to thank them for all the help and support they provide for all the children at ESPS. Scott accepted the award on behalf of the team and received a rapturous applause from the school.

Year 2 Borough Champions

Once again ESPS are Borough Champions. This time, it was the turn of Yr 2. The victorious team competed in the Multi-Skills competition and performed brilliantly.

Battle of the Books—KS2

This week our Year 4 Battle of the Books team competed at St Richard Reynolds. They have worked hard all year; reading 10 challenging books and attending a weekly club. On the day and throughout the year, they have really impressed Miss Daborn with their teamwork, resilience and positive attitudes. The art and drama they produced were fantastic!

Diary Dates: Week commencing: 15th July

Monday

Tuesday 1B Outdoor Learning picnic

Wednesday 9.10am Rock Steady Concert to parents (Wednesday bands)

7pm Year 6 production - cast 1

Thursday Open Day 10-11.30am 2.30-4.00pm
7pm Year 6 production—cast 2 and BBQ

Friday 3.15-5pm Mr Hambridge's Picnic

Commotion in the Ocean

Reception performed a wonderful assembly to both the whole school and to parents. They were so confident performing to a huge audience and entertained with wonderful singing. But their assembly had a serious message and reminded us of our responsibility to support the clean up of our seas and oceans by using less plastic. Thank you Reception.

Orchestra and Violin Concert

Our orchestra and violinists played to the key stage assemblies this week and shared the video of the orchestra's performance in The Richmond Prom. It was fabulous to see the musicians play so confidently and see the progress they have made. It was a special moment when the violinists played Frere Jacques and the audience joined in spontaneously to sing along. We love music at ESPS!

Year 2 visit The Wetlands

Year 2 had a fantastic time exploring the wetlands, linked to their English, Science and Maths learning on plants and minibeasts. They searched for different types of plants, found crickets and grasshoppers and explored this exciting and engaging environment in their local community.

End of Term Book Returns

Please return all books to the library by Friday 19th July at the latest. A huge thank-you for all the book [and furniture] donations we have received over the last year.

School Attendance Figures (1-4th July)

Class	%	Class	%
RJ	99.20	3K	95.17
RF	91.92	3Cr	96.90
RS	94.81	4EF	97.92
1S	95.67	4D	96.40
