Helping Hands

Miss Thorpe had the pleasure of awarding the Helping Hands Cup this week. She chose B for her enthusiastic and helpful attitude in school. She is always willing to volunteer for tasks and is super helpful.

Sports Star

Our first Sports Star this year is A who impressed Miss Swift so much with her enthusiasm during the Joe Wicks workout.

Car Free Day/ Walk to School

Please support our Walk to School Day on Monday by leaving the car at home and travelling to school sustainably, by foot, scooter or bike. If car travel is a must please park away from school and 'park and stride' for the final part of your journey.

Cycling and Scooting

Next week, Year 6 take part in the bikeability programme. Please ensure that bikes are not left in school overnight.

Please also remind all children that they must dismount from bikes and scooters when arriving at and leaving the playground. Thank you for your cooperation in keeping everyone safe in the playground during these busy times.

Welcome

The waiting is over! Our new Reception children have started school this week. We have been so impressed with how calmly they have dealt with their first few days at school. A big welcome to all the new families that have joined the East Sheen Primary School community. We look forward to a happy and successful partnership with you over the coming years.

NSPCC Assembly

On Tuesday, a team from the NSPCC visited the school to deliver assemblies and workshops on how to speak out and stay safe.

The team were very impressed with the behaviour of our children and how carefully they listened during the presentations. If you would like to know more about the NSPCC's work, please visit their website nspcc.org.uk/parents.

Climate Change March

Millions of school children around the world have marched today to protest against climate change and damage to our planet. In school, classes marched and chanted around the Phoenix mile to offer support to the cause.
