## Helping Hands

K has been chosen by Miss Kapllani this week. She is a very responsible student in the classroom and is always willing to help her teachers and others. Well done K!

## Sports Star

H has been awarded the Sports Star for impressive work and control during gymnastics. Super job H!

## KS2 Maths Challenge

Hampton School have launched an online maths challenge. Designed to engage pupils in Years 4, 5 & 6 with the world of numbers, the online challenge provides enthusiastic mathematicians with the opportunity to put their problem-solving skills to the test. A range of fun and challenging puzzles are set each week and the answers (with workings) posted the following week. Correct answers earn points with high scoring Wizards securing a place on the Wizard leader board and winners receiving prizes. Pupils submit their answers online via the website entering their first name, school name and year group. The *Maths Wizard Challenge* can be found at <https://hamptonschool.org.uk/maths-wizard/>

## Year 6 Bikeability

Well done to year 6 for completing their bikeability training. They have worked hard this week learning new skills to keep them safe when cycling on the roads.

## Playground Fun

This week, the children have been having fun using the new playground equipment, playing in the sand, making mud pies and dens, using construction on the new astro or dressing up.

Thank you again to the PTA for raising the money to purchase these wonderful facilities so that we can now offer a wide range of play opportunities to our children. We have certainly witnessed a multitude of happy smiley faces at play this week.

## Jeans for Genes Day

Our mufti day raised £558.38 for the Jeans for Genes charity. Thank you for your generous contributions.
