## Helping Hands

M has been thinking about how he can help the environment—he is insisting that he walks to school, even when it is raining! He is also extremely polite, he holds doors open for his friends and teachers and is always offering help in the classroom. Well done M.

## Sports Star

Y has been working so hard in gymnastics lessons and is showing great skills. He is our nominated sports star this week.

## Polite Reminder

Please could we remind parents and carers collecting children at the end of the school day that they must leave the school premises as soon as possible. This is to ensure the safeguarding of other pupils who are staying for clubs and after school care. Unfortunately the climbing frame and other outdoor resources are not available for general use at this time. Please do not be offended if you are asked to leave by a member of staff- thank you.

## Top TA

Congratulations to Holly Mitchell, who this week received an award for 'Teaching Assistant of the Year'. She was nominated by parents from the school who recognised her skills and commitment to the role. We are very proud of her and so pleased that she has been given this recognition.

## Able Writers Day

Four of our pupils attended an Able Writers Day this week. Here they are photographed with the poet, Neal Zetter, who was a guest workshop leader during the day. One of the workshop activities was to compose and then perform a poem, in only 20 minutes! Their finished pieces were very impressive and certainly demonstrated their talent as writers.
