Helping Hands

Mr Bailey has been so impressed with how his class has settled into Year Two that it was a very difficult decision to select the winner of the Helping Hands Cup this week. However, one pupil did stand out for being so helpful and willing all of the time. Well done !!

Sports Star

Is this week's sports star. She has been nominated for her incredible enthusiasm and skill for gymnastics. Amazing !!

Climate Change Competition

Well done to children in Year 1 and 2 who designed posters for the Climate Change competition organised by Sophie and Immie in Year 4. Congratulations to the winners Stella (Year 1) and Cho (Year 2)!

Message from the PTA

The PTA would like to say a big thank you to everyone who came to the quiz. We were blown away by your support. It was a very lively night and everyone had a great time. In amongst all the fun we raised nearly £3000, enough to fund a much needed whiteboard which I'm sure you'll agree is a fantastic achievement. To top it all we were delighted (but not surprised) that our wonderful teachers came out on top!

Have a wonderful half term everyone!

Vic, Jess, Gemma, Alexandra and Nikki

Year 1 Teddy bears' picnic

Once again the weather was kind to allow Year 1 to venture out to the park with their favourite teddies and toys; the sun even shone at one point. It was lovely to be joined by so many parents and carers. The children played beautifully; a great way to finish off the half-term before holidays.

Absence around holidays

Please can we remind parents and carers that proof of illness is required for any absences immediately before or after a school holiday. Otherwise the absence will be marked as unauthorised.
