## Helping Hands

This week W is our Helping Hands winner. Mrs Hunter chose him for his use of Thinking School strategies to help his learning and maintain his positive attitude in school. Well done W.

## Sports Star

M has been chosen as our Sports Star for always trying hard during swimming lessons to improve her technique.

## Sports News

This week a Year 4 girls' football team played in a Richmond tournament. They played 4 games winning 3 and drawing 1. Fantastic football played by all!

More success when a Yr 3 and 4 athletics squad competed against 6 other local schools and finished 1st! Stunning performances were given by all athletes.

## Outstanding Behaviour in Year 3

Mrs Page was delighted to receive this letter from a member of public who was so taken by the amazing behavior on the bus that she took time to contact the school. Amazing Year 3.

Dear Madam,

*Yesterday I was on the 337 bus from Richmond to Putney when a class of little ones from your school got on to go to a swimming lesson. I must say I feared the worst, noise wise, when they got on but was absolutely gob-smacked at their amazing silence for the whole journey! Where did these little angels come from? It is unheard of for so many children to be so quiet for so long. Only the day before, 4 teenage girls from a high school had made the most incredible din the whole way to Kingston. Your group put them to shame.*

*Congratulations to all at East Sheen primary for an amazing experience. You can be very proud of your pupils.*

*Sincerely  
Mrs S*

## Garden Clear Up

A massive thank you to all the parents who spent Saturday morning clearing and tidying the school gardens. It was a great team effort and the impact was

amazing. We plan to hold similar events each half term to plant and maintain our outdoor spaces that the children enjoy using so much.

## New Arrival

We are delighted to announce that Miss Bracey is now the proud mummy of a beautiful baby boy.

## School Attendance Figures (23-27th Sept)
