## Helping Hands

S is Mrs Strang's Helping Hands choice this week. S is attentive and listens; she always notices when there are jobs needing attention. S is a delight in class and Mrs Strang is very grateful for all her help and her positive attitude.

## Sports Star

N has been impressing her teachers during swimming lessons. She listens carefully to instructions and demonstrates super resilience and effort to improve her skills.

## Sports News

On Wednesday, our girls' football team played in the Richmond Borough Tournament. Thirty-six teams played in the tournament, our team played nine matches and won them all; they maintained a clean sheet along the way. In the final match the full-time score was 0-0 so it had to be decided by a golden goal; Izzy scored a fabulous winner. The girls now go on to represent Richmond Borough in the London Youth Games. What a fabulous achievement!
