## Helping Hands

Our first Helping Hands winner of 2020! M was chosen by Mrs Stewart to receive the award as she is always kind and caring towards her friends and peers and always tries hard to ensure everyone is included. Excellent qualities M, well done!

## Relationships and Sex Education

The Department for Education is introducing compulsory Relationships Education from September 2020. Our PSHE (Personal, Social and Health Education) curriculum is taught through our whole school programme, 'Jigsaw' and this has been established in our teaching for a number of years as outlined in curriculum bulletins. The Jigsaw scheme, together with elements of our Science and Computing curriculum, meet the new DfE requirements so there is little change for ESPS. Our policy has been reviewed and updated to reflect the changes and is now published on our website—see Information tab and then select policies. As part of this review, parents are invited to read the contents of the policy and share any comments or feedback with the school. Please send these via email to [info@eastsheen.richmond.sch.uk](mailto:info@eastsheen.richmond.sch.uk).

## Sports Star

Our sports captains have chosen Miss Swift to be the sports star this week. This is in recognition of her being, 'an inspirational PE teacher and for introducing the Phoenix Mile'. Miss Swift is committed to ensuring that everyone at ESPS is fit and healthy and enjoys sport. This week she re-launched a staff fitness club which was led by **Joe Wicks!** Needless to say it was very well attended and the school featured on Joe's Instagram feed. Joe is impressed with the school's commitment to sport and exercise and is returning again very shortly to produce some short videos with the children to highlight the importance of active 'brain breaks' to support focus and concentration.

## Healthy Eating Policy

The new year is often a time for new resolutions of healthy eating and exercise. As such, please can we remind you of our healthy eating policy which is published on our website. If you are providing a packed lunch for your child please review the policy to check the guidelines for a healthy packed lunch.

## Admission to Primary School Sept 2020

Applications for Reception places must be completed and returned to School Admissions, Achieving for Children Guildhall 2, Kingston upon Thames, KT1 1EU by **15 January 2020**. Wandsworth residents must apply via Wandsworth borough.
