Helping Hands

Well done!! Mrs Clacher has chosen her to be the Helping Hands winner. I is extremely helpful in class, always offering to tidy up. She settles quickly to tasks and is a great role model to her class members.

Chess Tournament

Our school was represented at the National Primary Schools Chess Challenge which took place at Orleans Park School. Twelve teams competed; our Under 11 team won silver and Under 9 team won bronze.

Both teams have qualified for the National Primary Schools semi-final in May.

Ready to learn at 9AM

Our school gates open at 8.50am to allow children time to settle into class and be ready to learn when school starts at 9.00am. Many interventions or small groups run from 9.00am during registration so it is really important that your child arrives on time otherwise learning opportunities are lost. Arriving late is also disruptive to the class and can cause anxiety for the child who is arriving after the school day has started. Set those alarms!

Joe Wicks

The first of Joe's 'Active 8' workouts can be viewed on Youtube featuring Harry!

Sports Star

Congratulations to S who is this week's Sports Star. S is the ultimate sportsperson; she is extremely fair, always follows the rules of the game and tries her best in all PE lessons.

Poster Competition

Our children were invited to take part in a poster competition to ensure that the new planting around the school is well looked after and allowed to flourish. There were many super entries but the final winners were:

KS1 Isabel and Madeline

KS2 Tabby

Look out for the posters appearing around the school.
