World Book Day

Once again, the costumes for World Book Day were sensational. The children were very excited to see each other's creations as they gathered in the hall for the celebratory assembly. The love for reading is very much alive in East Sheen Primary School. A range of reading activities took place throughout the day; there was a wonderful atmosphere in school despite the weather. Thank you to all the parents, carers and friends who lined the playgrounds to cheer on the children as they paraded to the assembly.

Diary Dates: Week commencing: 09.03.20

Next week is STEM week

Monday	4D swimming Year4 Basketball at Christ's Netball vs Barnes

Wednesday	3C/3K swimming PM Swimming gala finals
Thursday	Reception cycling 2P trip to National Archives 2PM Early finish for Parent Consultations
Friday	Sports Relief Day Girls' quarterfinals vs Meadlands at Rosslyn Park

Helping Hands

E always follows instructions from his teacher and is keen to help his friends. Miss Lucas has noticed this helpfulness and so has awarded him the Helping Hands Cup. Well done E!

Holly Lodge Trip

Last week, Year 6 went back in time as they travelled to the Victorian Pharmacy in Holly Lodge to learn all about healthcare in the 19th century. The children picked their own herbs and used their science and mathematic skills to create their very own tablets using authentic Victorian artefacts. They had a fantastic day and were a credit to the school; we received wonderful comments about their behaviour from the staff there.

Online Safety Policy

The school online safety policy has been updated and approved by governors. It is available to view on the school website. The policy addresses the requirement of the school to educate pupils about online safety but also highlights the responsibility of parents and carers to monitor online use outside of school. Our website has e-safety resources to support parents and children.
