## STEM week

Our children have enjoyed a week full of exciting science and maths challenges. They have engaged in activities including a Robotix workshop and nitrogen assembly. Thankyou to all the parents who have given up their time to present talks to the children about their jobs in STEM industries. Finally, a big thank you to our Science and Maths leaders, Miss Moxom and Mrs Clacher for organising the week.

Diary dates: Week commencing 16.3.20

Monday	4D Swimming
Tuesday	1.30-3.00, 2.00-4.00 Parent consultations
Wednesday	8am Governor meeting Yrs5&6 Boys' football festival @NPL
Thursday	Yr3 Butser Farm trip Yr1 girls' football, Ham
Friday	

## Helping Hands

Miss Goodwin has chosen C as her Helping Hands Cup winner this week. C is always eager and happy to carry out jobs in lessons. She is really thoughtful and considerate. She models kind and respectful behaviour and sets a great example for other children to follow. What a superstar!

## Sports Relief

Thank you for all the donations towards this charity. The children enjoyed their day in mufti. At lunchtime the staff challenged Year 6 to a game of netball; it was a hard fought contest with both sides demonstrating their competitive spirit!

## AfC Participation Survey

Achieving for Children is developing a strategy to guide how they approach participation. For the purposes of this survey, participation is defined as: 'the process of empowering children, young people, parents and carers to influence decisions and ultimately, local services.'
