## Helping Hands Cup

A has been chosen as the recipient of the Helping Hands Cup this week. Mrs Jensen commended him on his focus and concentration in class which is a great help for both his teacher and peers. Well done A.

## Travel Plan

The school currently holds Gold status for its travel plan. As part of the plan the school and its community is asked to promote active travel. We are aware that *Hertford Avenue* is

becoming quite congested at drop off and pick up times. If you do need to drive to school please 'park and stride' by parking away from the school and walking the last part of the journey. This will help to reduce both congestion and pollution around the school. Thank you.

## Curriculum Evenings and Parent Consultations

At the beginning of term we would normally be inviting parents and carers to school to attend a curriculum evening. Whilst this is not currently possible, our teachers have been busy creating a presentation that can be viewed by you remotely and these will be shared shortly. We hope that you enjoy these presentations and find them informative.

It is also likely that parent consultations will need to be held virtually. Consultations will take place after half term and more information will follow shortly.

## Coats

As the weather is becoming more autumnal, please ensure that your child has a waterproof coat at school each day. Coats are needed at lunch and playtimes in the event of damp or drizzly conditions. Please ensure that all items are named!

## House and Sports Captains

L, W, M and A

N, L, D,  
M, J, and N

Our new Year 6 leaders have been appointed. Congratulations! We look forward to seeing how they provide excellent role models for the rest of the school.

## Accelerated Reader

Now that we are pleased to be open to students again, the KS2 online 'Accelerated Reader' quizzing will become restricted to in-school quizzing only. Children should continue to read daily at home, and they will be given regular opportunities to quiz on class iPads and computers at school.

## Trading Cards

Trading cards should remain at home please. We are working extremely hard at school to avoid the sharing of resources wherever possible; the trading of cards means items are handled by many. Also, bringing collections of cards to school often leads to upset amongst the children, cards cannot be named and children become upset if they are lost. Please keep them safely at home.

## School Attendance Figures (14-18th Sept)
