Helping Hands

This week the Helping Hands Cup goes to M in Year 1. He has been chosen by Mrs Stewart as he is kind and helpful, works well with others and is a great team player!

Viking and Anglo Saxon Workshop

Year 5 enjoyed a very exciting workshop this week; they played Viking board games, viewed artefacts and learnt about Anglo Saxon life. During the workshop they also had a demonstration of weapon and armour. They looked amazing in their costumes and became totally immersed, even managing some 'rowdy' behaviour!

RCBP Foodbank—'Thank you' message

"During these challenging times, our community has raised an astonishing £8,395 for the Roehampton Community Box Project (RCBP) and started 10 new street collections which regularly deliver food to RCBP. As a result of our collective efforts, we successfully helped to raise funds for RCBP to distribute food to vulnerable families until summer 2021. We rise, it is said, by lifting others. Whether you donated funds or provided food, we thank you for the very important part you played in lifting those in our community. We will shortly be relaunching to help other local projects, so please watch this space!"

Tuesday—Year 6 Egyptian Workshop

Odd Socks Day

We saw some stunning 'odd sock' combinations on Monday to mark the start of Anti-bullying week. During the week our PSHE lessons have focused on this im-

portant topic, reminding children about the importance of treating their friends kindly throughout the year—not just during the focus week.

Sheen in the War Years—workshop

Year 4 participated in a fun filled WW2 workshop. We learnt about the different uniforms that were worn during the war, looked at a 'real' rifle and gas masks, participated in a quiz and competed in stretcher races.

Top Fundraiser

We are very proud to hear that James Kennedy in Year 4 is cycling 5km this weekend to raise money for children with Duchenne muscular dystrophy. Currently he is the top fundraiser for the event. What an amazing effort, good luck James!
