## Library Restock

A huge thank you to all of the donations of books for the school library and classroom book corners—we have received over one thousand new or nearly new books!! With such voracious readers in school it is a challenge to keep up with a supply of new titles. We are also focusing on increasing the diversity of the authors represented in our library. Rachel, our librarian has been working hard to stock the shelves ready for the children's return. If you would like to purchase a book please contact The Regency Bookshop in Surbiton, tel: 0208 399 2188 from 9.30 to 5.0 Mon to Sat. We have designed a book plate to go into the donated book if you would like to record this as a present from your child or family.

## World Book Day

World Book Day is on Thursday 4th March and classes will be marking the occasion throughout the week. This year book tokens are being distributed digitally, so you can get yours here: [https://www.worldbookday.com/wp-content/uploads/2021/01/booktoken\\_PrimaryUK.pdf](https://www.worldbookday.com/wp-content/uploads/2021/01/booktoken_PrimaryUK.pdf)

## Thought for the (World Book) Day

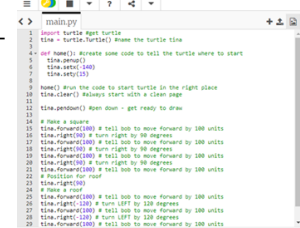

**The more that you read  
the more things you will know!  
The more that you learn  
the more places you'll go!**  
--Dr Seuss

## Home Learning

With the announcement of school reopening on March 8th this column will soon be redundant but we are pleased to say that there is still much to be celebrated. Our pupils are showing true resilience as they continue with their learning from home. Mr Page has been impressed by the fabulous effort that William D has applied to his work consistently through the lockdown. This week he has completed some amazing coding for the computing assignment.

In Year 5, Eloise has written a song inspired by the challenges of lockdown. She took a break from on-line learning and composed this whilst singing in the shower! An amazing reflection of the time Eloise.

### Behind the Mask

By Eloise

*I'm tired of waiting and waiting for the R's to go down  
Too tired of waiting and waiting for the jabs to roll out  
Fed up of waiting and waiting for things to turn around  
Because I can't breathe ...behind the mask*

*Reaching for joy, reaching for breath  
Looking for a life that suits me best  
Reaching in this small world full of big minds, that I don't  
yet understand  
Because I can't breathe ...behind the mask*
