

East Sheen Parent Teachers Association

About us:

Welcome everyone to the new school year from the Parent Teacher Association. The PTA is a registered charity run by parent volunteers. Our aim is to raise money for the school to cover extra costs that are not met by current government funding, eg smartboards and outdoor play areas. The ambition is to support the school to make our children's primary school experience the best it can be.

Quote from the Headship:

Funds raised by the PTA **really do** make a massive difference to the school! We have a big focus on technology at the moment, but it is down to PTA money that we have the pupil kitchen, music lodge, climbing frame, interactive whiteboards, iPad trolleys and a wonderful, growing collection of books. Thank you!

Quote from the Governors:

We are extremely grateful to the PTA who, through fun and engaging fundraising activities, support the school to help ensure that all our pupils have access to high quality teaching resources and an inspiring learning environment.
